

Class Kokua

Last Updated Monday, 17 December 2007

Class kokua assist the instructors with many duties. These duties include but aren't limited to keeping rosters up to date, collecting monthly tuition, keeping dancers & parents updated with the most current information and helping our dancers prepare for up coming events. By having class kokua, instructors are able to concentrate on their students. These people are parents who volunteer their time both here and outside the halau in order to help the halau run smoothly as possible. Listed below are the kokua for each of our classes along with their email addresses.
